JUNE2015 - AUG 2015

### Special points of Interest

- ◆ Our New Head Profile
- ◆ Graduation Day
- ◆ Inauguration of Bridge Course & 9th Batch B.E./B.Tech Students
- ◆ Department Activities
- ◆ Placement Activities

### **Inside this issue:**

Our New Head Profile, 4th Graduation Day

Inauguration of bridge course & 9th batch B.E./B.Tech classes and clubs

Science & Tech. Capacity building for Industrial Needs, Inauguration of WDC Cell

Inauguration of EDC and ED Programme, Inauguration of Mech & Civil dept Association

Workshop on Solar Thermal System Design, Inauguration of ECE Consortium & EEE Association "ENERGE-X"

Seminar on Embedded Systems and Its Real Time Applications, IV, Guest Lecture on Pattern Making, Seminar on Toy Making

Guest Lecture on Textile Costing, IVs, Placement Activities -Infosys Campus Connect Program, Yukthi

Placement Activities, RILMTEACH, Rotaract Club Installation, 69th

Anna Univ. Zone (12) Chess Tournament, Inspire Award, New Appointments-Teaching

New Appointments, FDP, Photo Gallery, Health Tips

# ANGEL ADAGE

## ANGEL COLLEGE OF ENGG. & TECH. NEWS LETTER

**Chief Patron** : Er. D. Sachithanantham, President, Angel Institutions

**Editor-in-chief** : Dr. K.Saravanan Principal, ACET

**Editor** : Dr. Kavitha Mohan, AP/English

**Editorial Members - Students** : Ms.Gayathri.V, IV B.E. CSE, Mr.Bharghava II B.E. CSE

### **OUR NEW HEAD PROFILE**

Dr.K. Saravanan, a versatile leader is the Principal at Angel College of Engineering and Technology, Tirupur. He did his under graduation in Textile Technology and Post graduation in Textile Chemistry. He completed his Ph.D from Anna University, Chennai. His area of specialization is Textile Composites. Dr. Saravanan has devoted over two decades to the field of education and during this time, he has held various capacities. He had been a Professor of Dept. of Textile Technology at Kumaraguru College of Technology, Coimbatore. As a firm believer of giving back to

Dr.K.Saravanan, Principal, ACET

the society, Dr. Saravanan has guided 25 B.Tech projects and 20 PG projects, so far. Currently, he is guiding one scholar as a supervisor under Anna University, Chennai. Dr. Saravanan is very instrumental in publishing books and papers. He has Published five Books in Tamilnadu Open University, Coimbatore , a data book on Textile Calculation and a lab manual on Textile Chemical Processing. He has also published 5 research papers in referred journals, 23 papers in journals like The Textile Magazine, Indian Textile Journal, China Textile Science, Pakistan Textile Journal etc., and 25 papers in various International and National conferences. His papers consisting of innovative ideas, have won prizes in, IIT, Delhi, Government Engineering College, Kolkata and PSG College of Technology, Coimbatore . Dr. Saravanan has visited almost all the premier educational institutions in the country like IISc, Bangalore, IITs and other institutions. He has attended about 20 program in different areas of his interest. He has delivered lectures both for the benefit of students and faculty at various leading institutions, including one radio programme. His extraordinarily dynamic nature drove him to take an active part in various activities held at the college level. He has organized many training program including FDP and STTPs. He has acted as Students' Forum Coordinator and has served as Management Representative (ISO). With his excellence in academics, integrity and leadership he is sure to lead the college with vision and dedication.

### **4<sup>th</sup> GRADUATION DAY**

The graduation day for the students of 2010-14 batch was held at ACET on 28-06-2015 at 10.30 a.m. The function started with "Tamil Thai Vazhuthu." Thiru M.Sivakumar, CEO, ICT Academy of Tamil Nadu, Chennai was the chief guest of the function. Er.D.Sachithanantham, Chairman, ACET, Tirupur presided over the graduation day function . Dr.K.Saravanan, Principal, welcomed the gathering and presented the graduation report. Thiru. M.Sivakumar, the Chief Guest, in his address, motivated the graduates to equip themselves with adequate knowledge. Finally, the program ended with the National Anthem.

Miss. Allena Jolly, receives special award from Chairman for securing University 2nd Rank

## INAUGURATION OF BRIDGE COURSE

The inauguration of Bridge Course for 2015-2019 batch was held on 29.6.2015. The programme started with the prayer song by Ms. P.Saritha of IV year B.Tech FT. Ms.R.Vanitha, Executive Officer of ACET, welcomed the gathering and motivated the students to actively participate in all the activities and showcase their talents. Dr.K.Saravanan, Principal, ACET presided over the function and delivered the presidential address. In his address, he encouraged the students to realise their responsibilities and utilize the various clubs available, to develop both their co-curricular and extra-curricular activities.

Kalaimamani, Prof.Dr.G.Gnanasampanthan, motivates Students to become responsible citizens

Dr.K.Saravanan, Principal delivers the Presidential Address

Kalaimamani, Prof.Dr.G.Gnanasampanthan was the chief guest of the function. The chief guest, in his inaugural address enlightened the students on the importance of job and self confidence. He appreciated the innovative ideas of our alumni students and motivated the I year students to develop their innovative thinking and communication skills. Dr. K.Aravinthan, HOD/S&H proposed the vote of thanks and the function came to an end with the National Anthem.

## INAUGURATION OF 9<sup>TH</sup> BATCH B.E.,/B.TECH CLASSES AND CLUBS

The inaugural function of 9<sup>th</sup> batch B.E.,/B.Tech. classes (2015-2019) and all the clubs were held on 06.08.2015. at ACET campus, Tirupur. The function began with the Prayer song and was followed by lighting of kuthuvilakku. Dr.K.Aravinthan, HoD/S&H welcomed the gathering. .Dr.B.Saravanan, Principal, ACET, presided over the function. In his presidential address, he motivated the students to take responsibilities by participating in various activities. Prof.R.Vanitha, Executive officer, ACET advised the students to work hard and achieve their goals. Dr.K.Rathnasabapathi, the chief guest in his key-note address educated the students on English language and its importance to get their dream jobs. He concluded his speech by encouraging students to develop their communication skills. Various clubs of ACET like S&H Association, English club, Mu Gamma Pi club and Chemical Society were inaugurated. The respective Co-ordinators introduced their office bearers to the august gathering. Mrs. K.S. Meena, Assistant Professor of Mathematics department proposed the vote of thanks. The afternoon session was

Dr.Aravinthan, HOD/S&H lights Kuthuvilakku

taken over by the senior students.. They introduced themselves and gave a small gift as a token of their love to the juniors. They described the various clubs available at the college campus and their benefits. The co-ordinators of various clubs—Mr. S.Vignesh Prabhu, Mr. S.Saravana Kali Prasad, Mr. S.Karuppuasamy, Mr. M.Naveen Kumar of Final Year Mechanical Engineering, Mr. Bhargav of second year Computer Science and Engineering, Mr. Naren of second year Mechanical Engineering - conducted events like Puzzles, Picture finding, Finding out Blood Relations, Connections, Tongue Twisters, Identifying the song, Finding out the film to the juniors and created a friendly relationship between them. First year students participated in the events very happily and won many chocolates. They thanked their seniors for removing their fear about ragging and for being very friendly. The programme with the National Anthem.

Active participation of juniors in an event

## SCIENCE AND TECHNOLOGY CAPACITY BUILDING FOR INDUSTRIAL NEEDS

Tamilnadu State Council for Science and Technology organized a sponsored programme on “Science and Technology Capacity Building for Industrial Needs” along with Angel College of Engineering and Technology at ACET campus in two batches, one from June 24 to June 26, 2015 and the second from July 8 to July 10 2015. The programme was inaugurated by Mr. E.S. Balasundaram, Head, Group HR, SEFORGE Limited, Coimbatore. The function began with a Prayer Song. Prof. M.V. Sethuram, Director, Industrial Relations, ACET welcomed the gathering. Prof. R. Vanitha, Executive Officer, ACET gave the felicitation address. Dr. K. Saravanan, Principal, ACET gave an overview about the programme. The first session was handled by Mr. E.S.

The chief guest inculcates in students the need for good communication skills

Dr.K.Saravanan, Principal distributes certificates to a participant

In his lecture, he elucidated on “What is Entrepreneurship?” and “How to become Entrepreneur?” He gave practical scenario about the present job opportunities in the Corporate and Supporting Enterprises and the need to become an entrepreneur. He gave lots of tips in approaching the concerned authorities in starting SSI and MSME. He enlightened the students by giving “Opportunities Available for the Young Engineers in Starting New ventures”. He highlighted the “Different Schemes offered by the Government in starting Enterprises”. Finally he concluded the session by inspiring students through the success stories of Entrepreneurs. In valedictory function, Dr. K. Saravanan, Principal, Angel College of Engineering and Technology gave the Welcome Address and he distributed the certificates for the participants. Prof. Palani Rajan, AP/FT presented a brief report about the three day program and Mr.J. Rajendran gave the valedictory address. Dr. M.K. Chandrasekaran, Coordinator of the Program gave the Vote of Thanks. The program concluded with the National

## INAUGURATION OF WOMEN DEVELOPMENT CELL

The Women Development Cell of Angel College of Engineering and Technology, Tirupur inaugurated its activities for the academic year 2015-16 on 17/8/2015 at 2.30 P.M. in the college conference hall. Ms. Saritha of IV B.Tech FT sang the prayer song. One of the Women Development Cell Co-ordinators, Dr.Kavitha Mohan welcomed the gathering. Dr.K. Saravanan, Principal, presided over the function and delivered the presidential address. In his address, he appreciated the girl students, for their overwhelming interest in learning higher education. He also motivated them to take part in all co-curricular and extra-curricular activities and to evolve as all rounders. Executive Officer, Prof.R. Vanitha, in her special address, encouraged students to take up challenges confidently. Prof. P. Premadevi, Women Development Cell Co-ordinator introduced the office bearers for the academic year 2015-2016. Ms. P. Sindhu Prema, Secretary, Women Development Cell, listed out the activities to be carried out for the academic year. Mr. K. Alagu Sundaram, Notary Advocate, Madurai was the chief guest of the function. In his inaugural address, he advised the students to develop self confidence and enlightened them on Women’s legal rights. Prof. P.Premadevi, Women Development Cell Co-ordinator proposed the vote of thanks and the program ended with the

Office Bearers of Women Development Cell

## INAUGURATION OF ENTREPRENEURSHIP DEVELOPMENT CELL

Entrepreneurship development cell-inauguration program was conducted at Angel college of engineering and technology, tirupur on 22.07.2015. Dr.K.Saravanan, Principal of ACET delivered the presidential address in inaugural function of EDC program. EDC staff coordinators, Mr.G.Mohamed zakriya, AP(FT) and Mr.P.Suseedhar, AP(EEE) has nominated the secretary, joint secretary, treasurer and chief executive members of this academic year 2015 - 2016. Next to him our principal Dr.K.Saravanan delivered the presidential address which motivate the candidates, who took part in inaugural function

Dr.K.Saravanan, Principal delivers his presidential address

Office Bearers of the EDC Cell

After completion of motivation session, Dr.P.Chandrasekar was participated as a chief guest, who inaugurate the EDC program. After his special address, about the EDC program and academic plan was discussed by Secretary Mr.R.Naveen prabhu(III-EEE) and chief executive member

## ENTREPRENEURSHIP DEVELOPMENT PROGRAMME

Rajiv Gandhi National Institute of Youth Development & ICTACT of Tamilnadu. Jointly organized an Entrepreneurship Development Programme at Angel college of Engineering & Technology, Tirupur from 25/06/2015 to 29/06/2015 (05 days). The programme was co-ordinated by IR Director Prof. Sethuram. Mr.H.Anand, ICTACT Tamilnadu senior Associate – operations took part in the inaugural function. Entrepreneurship Development Cell co-ordinator, Mr.G.Mohamed zakriya, AP/FT welcomed the gathering. Prof. Sethuram, IR Director gave an overview about the programme. Dr.K.Saravanan, Principal presided over the function. In his presidential address, he detailed about the five essential qualities of an entrepreneur. Mr.Anand distributed books to the participants to improve their knowledge on entrepreneurship. In the next session, managerial guidance related topics like success stories of entrepreneurs. On the fifth day, the participants were instructed to present their

Students and Dignitaries with the book on Entrepreneurship Development

## DEPARTMENT OF MECHANICAL ENGINEERING

### INAUGURATION OF MECH (MASS-15)& CIVIL(VYUHA-15) ENGG. ASSOCIATION

The Inaugural function of Mechanical & Civil Department Association was started with national culture lighting of lamp which is made by our Technicians. The first face was lighted by Dr. Vimal Kumar Eswarlal, Chief Guest of MASS'15 and followed by Dr. K.Saravanan, Principal ACET, Dr.S.Rajendran, HOD/ Mechanical Engineering, ACET and Prof. N.Dhandapani, AP/Mechanical Engineering, ACET, and Mr. V.Vikas, Treasurer, Mechanical Association of Angel's Society had given the welcome address. To develop the skills, Dr. Vimal Kumar Easwarlal had presented his Chief Guest Address on the topic "Carrier Opportunities in Renewable Energy" in a very lucid manner. He explained the topic contents with real time examples through his experience. The Program was ended with a vote of

Dr. Vimal Kumar Eswarlal, delivers an informative lecture

## WORKSHOP ON SOLAR THERMAL SYSTEM DESIGN

A one day National Level Workshop on “Solar Thermal System Design” was organized by the department of Mechanical Engineering on 14.08.2015 at ACET Conference Hall. The main objective of the workshop is to inculcate the importance of renewable energy sources and its production in students and faculty members. Around 100 participants (Students and Faculty members) from various engineering colleges participated in the workshop. The function began with the prayer song. Dr. S. Rajendran, HoD/Mechanical Engineering, welcomed the gathering. Dr. K.Saravanan, Principal, ACET delivered the presidential address. In the first session on Introduction to Solar & Solar Thermal Systems, Dr. Vimal Kumar Eswarlal, gave an introduction on solar and solar thermal systems. In the second session on Solar Water Heater Working and Components, the chief guest explained about solar water heater components and their working principle. In the third session, Dr. Vimal Kumar Eswarlal, gave a presentation on “Career and research Opportunities in Renewable Energy Industry” and in the last session the chief guest demonstrated the working and assembling of solar water heater components and Prof. P. Manoj Kumar gave a lecture on design calculations of solar water heater. Prof.P.Manoj Kumar proposed the vote of thanks and the programme ended with the National Anthem. The Workshop had helped the students and faculty members to pursue their research and career in renewable energy sector. It also enabled

Dr. Vimal Kumar Eswarlal explains about Solar Thermal Systems to the students

## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

### INAUGURATION OF ECE CONSORTIUM

The department of electronics & communication engineering inaugurated the association “ECE consortium” on 18th Aug 2015. Mr.Sabarinathan Muthu, Sr.Technical Consultant, 4S Software Solutions, Coimbatore was the chief guest of the function. The inaugural function was presided by Dr. K.Saravanan, principal, ACET. The Association activities were initiated with the prayer song. Prof.R.P.Meenaakshi Sundhari, HoD/ECE welcomed the gathering and encouraged the students to conduct various events during this academic year. Mr.N.Sivakumar of final year B.E. ECE introduced the chief guest. The chief guest inaugurated Kalamities club to honor our former president A.P.J.Abdul Kalam. In his inaugural address, he spoke about the advancement of technologies in Android on IoT, the expectations of companies towards engineering students and the steps to improve the standard of engineers. He congratulated the college, Department, Staff members and Students for their effort in making this consortium a success. Mr.S.Baskar, Faculty In charge of ECE Consortium introduced office bearers for the academic year 2015-2016 and announced the planned activities for the academic year 2015-2016. Mr. N.Madhan secretary of ECE consortium proposed the vote of thanks and the function ended with the National Anthem.

Mr. Sabarinathan encourages students to come out with their own inventions

## DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

### INAUGURATION OF EEE ASSOCIATION ENERGE-X

The department of Electrical and Electronics Engineering inaugurated its consortium ENERGE-X on 31st July 2015. The function started with the prayer song and it was followed by lighting of the Lamp, A.Pandian, HoD/EEE welcomed the gathering. The office bearers of the association were introduced and the association’s annual plan which included activities for the development of the soft skills, enhancement of multi dimensional skill sets were presented. Dr.K.Saravanan, Principal, ACET presided over the function and delivered the presidential address. In his address, he enlightened the importance of electrical in recent era. The chief guest Scientist Dr.Natarajam Somasundaram, in his inaugural address, recollected his memories on projects done under the guidance of Dr.A.P.J.Abdul Kalam and also gave guidance on the skills required for the development of engineering

Office Bearers of EEE Association

## SEMINAR ON EMBEDDED SYSTEMS AND ITS REAL TIME APPLICATIONS

The EEE department of ACET organized a one day seminar on Embedded Systems and its Real Time Applications on 31st July 2015 for the II, III, and IV year B.E (EEE) students at the Seminar Hall. The seminar started with the Prayer song by Mr.S.Gunasekaran & N.Arun. Mr.Premkumar of IV B.E. EEE student welcomed the gathering and introduced the chief guest “Scientist”

Dr. Natarajan Somasundaram, Professor, Department of ECE, Karpagam College of Engineering, Coimbatore. Dr. Natarajan Somasundaram, started with the basics of Embedded Systems. He made the seminar interesting by giving many live examples. He also briefed about the Basics of Microprocessor and Microcontrollers and Real Time Applications of Embedded Systems. He started with the basics of Embedded Systems. & also briefed about the Basics of Microprocessor and

The chief guest elucidates on Embedded Systems Microcontrollers and Real Time Applications of Embedded Systems. At the end of the program

## INDUSTRIAL VISIT

Final year B.E. EEE students went for an industrial visit to sea blue shipyard at Cochin on 3.8.15. A batch 37 students accompanied by two faculty members visited the industry. Company officials Mr. Clement and Mr.Vinith explained students about their company and the nature of their work. Students were taken to the power room consisting of panel, capacitor bank and Electrical maintenance shed, etc. The officials also elaborated about the uses of Electrical equipment and machineries, Ship building and maintenance processes. The visit helped students to know about ship yard and the machineries used.

Students have a view on working of a shipyard

## DEPARTMENT OF FASHION TECHNOLOGY

### GUEST LECTURE ON “PATTERN ENGINEERING”

The department of Fashion Technology organized a guest lecture on “**pattern Engineering**” on 10<sup>th</sup> July 2015 at ACET for III B.Tech FT students. **Mr.G.Manigandan**, Director, Altius Fashion Institute was the resource person. Dr S. Sakthivel, Head of the department (In-Charge) welcomed the gathering. Mr.G.Manigandan initiated the lecture, by explaining the concepts related to pattern drafting. He elaborated on sleeve, fitness, step to measure the sleeve, measurement of regular, loose and tight fit. He gave ideas about introducing fullness in garment. The speaker also shared his real time experience about the importance of pattern drafting. The session was very interactive and it gave students a new learning experience.

Students are engrossed in learning pattern drafting

## WORKSHOP ON TOY MAKING

Beautiful toys made by students

The Department of Fashion Technology conducted a two day workshop on “Toy Making” for third year Ft students on 13<sup>th</sup> and 14<sup>th</sup> of August 2015. Mrs.K.Jayanthi, Trainer of Premier Fashions, Coimbatore was the resource person. Totally 41 students participated in the workshop. On the first day students were taught to make Teddy bears. They were provided with all the raw materials including fur, cotton, needle, thread, sponges, eyes and noses. They were taught to make each part in a manual method. On the second day, students attached all the component parts like nose and eyes together. When they completed they feel very excited. The trainer also gave patterns for making a dog. The workshop kindled students’ interest in doing craft. It gave them a confidence to make and sell toys of various varieties in future.

## GUEST LECTURE ON TEXTILE COSTING

Guest Speaker addresses on Textile costing

The department of Fashion Technology have organized a guest lecture on “**Textile Costing**” for the IV year fashion technology students on 14-08-2015. **Mr.R.Vignesh**, Planning Engineer and Financial assist, M/S SANTOSH Exports, Tirupur was invited as the guest speaker. Dr.S.Sakthivel ,HOD/FT welcomed the guest speaker, and also gave an introduction about the guest speaker. He shared the information about the Textile costing. In the session, he explained about meaning of Costing and Estimation, and difference between the costing and estimation. he emphasized the knitted garment costing. He gave examples to make lecture more realistic. First session was all about calculation of fabric consumption, and yarn required for the production of fabric. In the second session he clarified about the costing of knitted fabric manufacturing, dyeing charges based on the shades, and CMT charges. At the end he explained current yarn rate, knitting charges and dyeing charges. At the end, Dr.S.SakthiVel ,HOD /FT, presenting a memento to the guest speaker and proposed a vote of thanks .

## INDUSTRIAL VISITS

- ◆ On 01.08.2015, 37 students from 3<sup>rd</sup> year Fashion Technology visited Shahi exports. They were accompanied by Mr.M.Janarthanan & Ms.S.Valarmathi. The predominant aim of the visit is to know the manufacturing of garments.
- ◆ On 06.08.2015, 41 students from 3<sup>rd</sup> year fashion technology went for an industrial visit to Tube Knits Pvt Ltd., Mr.T.Palani Rajan and Mr.S.P.Thangavel accompanied the students. The visit enlightened students on the manufacturing of knitted fabrics.
- ◆ On 07.08.2015, 41 students from 3<sup>rd</sup> year & 44 students from 4<sup>th</sup> year fashion technology visited Carona Tex. Mr.G.Mohammed Zakriya, Ms.T.Suganthi & Ms.S.Valarmathi accompanied them.. The visit helped students to have an idea on manufacturing of garments, line balancing and garment production.

Multi Head Embroidery Machine

## PLACEMENT CELL ACTIVITIES

### INFOSYS CAMPUS CONNECT PROGRAM

Our college conducted INFOSYS CAMPUS CONNECT FEP 4.0 Program during 29.06.2015-03.07.2015. Around 46 staff from various colleges in and around Tamil Nadu and also from Mysore participated in this Faculty Enablement Program 4.0. Mrs. Sahana Kumaraswamy was the resource person on the first day..she discussed on the topics Introduction about Java, OOPs concept and Java Overview. On the second day, Mrs. Vani, the resource person spoke about program related to OOPs concept and Class and Function of JAVA. Both these resource persons explained the functions in Java, on the third day. On the fourth day, the resource persons, Mr.Anoop Singh & Mrs. Vani enhanced on Encapsulation and Polymorphism. On the last day, Mr.Anoop Singh educated on Overloading and Class concepts. Faculty members were asked to execute a program based any one topic discussed in earlier classes as a team and the best team was awarded with T-Shirts and memento.

Infosys campus connect program participants

Mr.Rajesh, enlightens on opportunities

### YUKTHI-2015

Our college organised A Road Map to Dream Job- Yuthi 2015 programme for final years students on 04.07.2015. On the same day during forenoon session, The guest speakers - Mr.Mohandoss, HR from Renault Nissan and Mr.Senthil Kumar, HR from Sensiple Software Solutions, Chennai gave motivational speeches to our final year students regarding the opportunities available in Mechanical and Information Technology field. During the afternoon session, Mr. Rajesh, Alten India and Mr. Govindarajan, SE Electricals Pvt. Ltd. were invited as guest speakers and they have gave an outline about the expectations of the industries from Freshers / Engineering students and opportunities available. Students posted questions and clarified their doubts.

## PLACEMENT ACTIVITIES

During this academic year, our college students have attended the following drives

1. Renault Nissan
2. Odessa Technologies
3. Retail on
4. GoDB Tech
5. Vernalis Systems
6. Vinayak Infotech
7. Agnitio Systems
8. Lucid Technologies

**Three on campus drives** were conducted at our college campus. They were

M/s. Odessa Technologies on 28/07/2015

M/s Lucid Technologies 29/07/2015 and

M/s GoDB Technologies on 4/09/2015. During the on campus of M/s. Odessa Technologies, a special training was given to the students by the internal staff from placement team and computer science faculty. Besides our college students, students from Pollachi Institute of Technology also joined for the on campus drive. During the on campus of M/s GoDB Technologies, a special

technical, Verbal and Aptitude training were given to the students by our internal faculty members. Students from Akshaya College of Engineering, KGISL Institute of Technology and Professional Group of Institutions also joined us for the drive. Our Students got placed in following companies

1. Mr. Salaigunadeepan- Mech - Renault Nissan
2. Mr. MATHANKUMAR.S- CSE - Agnitio Systems
3. Mr. SAUGAT PATHAK- CSE - Retail on
4. Mr. V.Karthick- CSE - GoDB Tech
5. Mr. V.Karthick- CSE- Mr. ASKER ALIA -CSE, Mr. BISHAL- CSE - Vernalis Systems. Three of our Final year Mechanical Engineering Students attended EMPLOYABILITY SKILL ENHANCEMENT PROGRAMME organized jointly by Anna University Chennai and Renault Nissan Technology Business Center, Chennai. 1. Jayaprakash.S 2. Saranraj.M 3. Mohana Priya. B. Training by External Vendors. To make final year students fully equipped, verbal and aptitude training were provided to them separately in two different batches by two different agencies.

◆ August 29-31 - Quantitative Aptitude Training by Face Academy, Coimbatore

◆ Sep- 5-7- Verbal Training by Six Phrase, Coimbatore

## RILM (ROTARY INDIA LITERACY MISSION) - TEACH

Rotaract club in association with Rotary club Tiruppur organized a one day seminar on "Rotary India Literacy mission (RILM)-TEACH" on 23.08.2015 in Conference hall, ACET. RILM-TEACH started at 10.00a.m with Rotaract prayer at ACET Conference Hall. Rtr.R.M.Chandrasekar, DRR delivered welcome address. Chief Guest was Rtn.T.George Sundarraj District Governor, he spoke about the role of rotaractors in the literacy mission. Rtn.P.M Shiva Shankaran DG Elect 2017-2018 was the Guest of Honour and special invites were Rtn.Tejraj Mallar District Literacy chairman, Rtn.Shiva Subramaniam Rotary President, Rtn.V.Vasantha Kumar DRCC, Rtn.Shivashankari, Rtn.Bala Subramani. In the morning session, A special talk on "WASH" given by Rtn.Bala Subramani, Lecture on "Happy Schools" delivered by Rtn.Shivashankari and Speech on "Adult Literacy and Child Development" by Rtn.Shiva Shankaran. Afternoon session was handled by the speaker Rtn.Tejraj Mallar on the topic of Teaching support and e-learning. The session was

Rtn.Tejraj Mallar delivers an informative lecture on Teaching support and e-learning

## ROTARACT CLUB INSTALLATION

Rotaract club was installed on 21.08.2015 in the Conference Hall, ACET. The function began at 10.30 am with the prayer song. Dr.K.Saravanan, Principal, ACET gave a special address. Rtn.V.Vasantha kumar was the chief guest and he addressed the gathering about rotary and rotaract club. Rtr.Chandrasekar introduced the office bearers for the academic year 2015-2016 and explained the duty of rotaractors. The Rotarians took oath and the installation function successfully came to an end with the national anthem

Rotaractors are taking oath during the installation

## 69th INDEPENDENCE DAY CELEBRATIONS

The 69<sup>th</sup> Independence day was celebrated at ACET campus on 15<sup>th</sup> August 2015. Dr.K. Saravanan, Principal hoisted the national flag. In his Independence day speech, he highlighted the importance of freedom and the struggles faced by the freedom fighters. He motivated the students to have innovative thinking and creativity to discover new things. He also stimulated them to develop their overall performance. Prof. R.vanitha, Executive Officer, in her special address encouraged students to realize their responsibilities and to make India - a developed nation. Many of the angelites showcased their talents through patriotic speeches, songs, dances and skits

Dr.K.Saravanan, Principal hoists the tri-colour National flag

**Never give up, for that is just the place and time that the tide will turn.**

## ANNA UNIVERSITY ZONE (12) CHESS TOURNAMENT

Anna University Zone (12) Chess Tournament was held at ACET Campus on 13-08-2015 & 14-08-2015. Dr. K. Muthukannan, KSR College of Technology, Tiruchengode inaugurated the tournament. Many of the students from Zone 12 colleges actively participated in the function. The first prize of the tournament was bagged by Kongu Engineering College, Perundurai. The second prize was secured by KSR College of Technology, Tiruchengode. The third prize was won by Bannari Amman Institute of Technology, Sathyamangalam.

Dr. K. Saravanan, Principal honours the first prize winners with a cup

## INSPIRE AWARD-15

Thiru. Govindaraj, District Collector, Tirupur inaugurates the Science Exhibition.

The Inspire Award 2015 was held at Angel College of engineering and Technology on 16<sup>th</sup> July 2015. Thiru. Govindaraj, The District Collector, Tirupur District, inaugurated the function by lighting the kuthuvilakku in the presence of CEO Mr. Murugan, Tirupur District, Dr. K. Saravanan, Principal, ACET, Executive Officer Prof. R. Vanitha, HoDs of various departments and Head Masters of various schools, in and around Tirupur. Around 404 Government schools, Government Aided schools and private schools took part in this mega event and 468 projects were displayed in the function. The projects submitted were evaluated by faculty members of ACET, Research Scholars of Chikkanna College, Tirupur and Head Masters of various schools. Among 468 projects, the first prize was bagged by Ms. Subathra of Neelagounden Palayam Middle School for her project, Fire Safety Alarm. The Second Prize was shared by Ms. Amrutha, Srinivasa Vidhyalaya, Udumalai for her project Pollution Control and energy saving and Mr. savith Kumar of Mudalipalayam, SITCO Middle School for his Project, Automatic Agriculture Machine. The third prize was won by Mr. Sathish of Saravanapuram Government school for his project, Child rescue machine in Borewell, Mr. Barathkumar of Kinathupalayam Government School for his project, Fuel Generation through natural gas and Ms. Sivasakthi of Thayampalayam VMC government aided school for her project Separation of Chemicals. In addition to these six students, 32 students of various schools were selected for the state level Inspire awards competitions. Ms. Poongodi, AEO, Tirupur Union and Mr. Ramakrishnan, District Coordinator, Inspire Awards-15 proposed the vote of thanks. Mr. S. Karthikeyan, AP/Mathematics and Mr. S.P. Thangavel, AP/FT of ACET coordinated the Inspire Award 15 on behalf of Angel College of engineering and

## NEW APPOINTMENTS—TEACHING

She did her BE (ECE) from Government College of Technology, Coimbatore and ME (Applied Electronics) from Maharaja Engineering College, Avinashi. She is pursuing her Ph.D in VLSI DESIGN in Anna University Chennai, under the Faculty of Information and Communication Engineering. She has nearly two decades of teaching experience. She has published more than 20 papers in various international / national journals and conferences. She is a life member of ISTE. Her research

Mrs. R.P. Meenaaks  
hi Sundhari  
HOD/ECE

She did her BE (BME) in Vellalar College of Engineering and Technology, Thindal and ME (Applied Electronics) in Kongu Engineering College, Perundurai. She has one year of teaching experience. She has published 3 papers in international / national journals and conferences.

Mrs. E. Madura

## FACULTY DEVELOPMENT PROGRAM ON “TRAINING OF TRAINERS”

A two day Faculty Development Programme on “Training of Trainers” was organized on 19<sup>th</sup> and 20<sup>th</sup> of June 2015 at the college premises. Dr.K.Saravanan, Principal of ACET welcomed the gathering. On the first day, in view of the First International Yoga Day (21<sup>st</sup> June), the first session was allotted to “Yoga Training”. The training was given by Mr.Tamilsevan and Mr.Ponnudurai, Volunteers from Isha Yoga Centre, Tirupur. The resource persons were honoured with a memento. The second session was on “stress management”. Mr.Baskar, Assistant professor of ECE department handled the session. He explained about good stress and bad stress and the elaborated on the ways to handle stress effectively. Dr.K.Saravanan, Principal took the third session on “Bloom’s Taxonomy.” In his session, he covered topics like Setting up of Question Papers using Blooms taxonomy, Classroom Management, Behaviour of Students and Practices to be adopted by faculty members for tackling any kind of situation. Dr.Baskar also motivated the faculty members to prepare activities to cater to the needs of all categories of students. Dr.Kavitha Mohan, AP/English and Mrs.S.Selvi, AP/CSE gave their feedback about the programme. The programme came to close with the Vote of Thanks.

Dr.K.Saravanan, Principal welcome the gathering
